Smart & Skilled subsidy — what this means

If you're eligible for a Smart & Skilled subsidised place, the NSW Government pays the bulk of the course cost directly to WAYS Youth Training. You only pay the student fee. The subsidy is not paid to you and is not refundable to you. Eligibility is checked using the NSW Department's Provider Calculator — we run this for you at enrolment.

- Not be currently enrolled at school (Year 12 leavers eligible from completion)
- Not have completed a higher-level qualification (some exceptions apply for foundation skills)

Final eligibility is confirmed at enrolment. We'll work through this with you.
